DETENTION ORDER - 2 18 U.S.C. § 3142(i)

## FINDINGS OF FACT AND STATEMENT OF REASONS FOR DETENTION

- (1) Defendant is serving a state sentence, which has several months yet to run. He and his counsel therefore offered no objection to the entry of an order of detention in this case.
- (2) The Complaint alleges his record includes at least the following felony convictions: burglary, delivery of cocaine, and three separate convictions for conspiracy to deliver cocaine.
- (3) The Complaint alleges that, when defendant was arrested on the Seattle light rail, he had no identification documents, and gave the officers a false name. A search produced a handgun with three cartridges in the magazine, and a bag containing marijuana.

## It is therefore ORDERED:

- (1) Defendant shall be detained pending trial and committed to the custody of the Attorney General for confinement in a corrections facility separate, to the extent practicable, from persons awaiting or serving sentences or being held in custody pending appeal;
- (2) Defendant shall be afforded reasonable opportunity for private consultation with counsel;
- (3) On order of a court of the United States or on request of an attorney for the Government, the person in charge of the corrections facility in which defendant is confined shall deliver the defendant to a United States Marshal for the purpose of an appearance in connection with a court proceeding; and
